MEMORANDUM FOR:

7 September 1955

SUBJECT : Suppliers Meeting of August 30-31

I assume you have a complete list of the people who were involved in these meetings both on Tuesday and Wednesday and that you will include them in the minutes of the meetings. In case you have forgotten anybody, here is my own somewhat illegible longhand list which I can explain to you if necessary.

RICHARD M. BISSELL, JR.
Project Director
